

ISR305 Feature Highlight

Industry Gateways and Industrial PCs

i.MX8M Series

Features

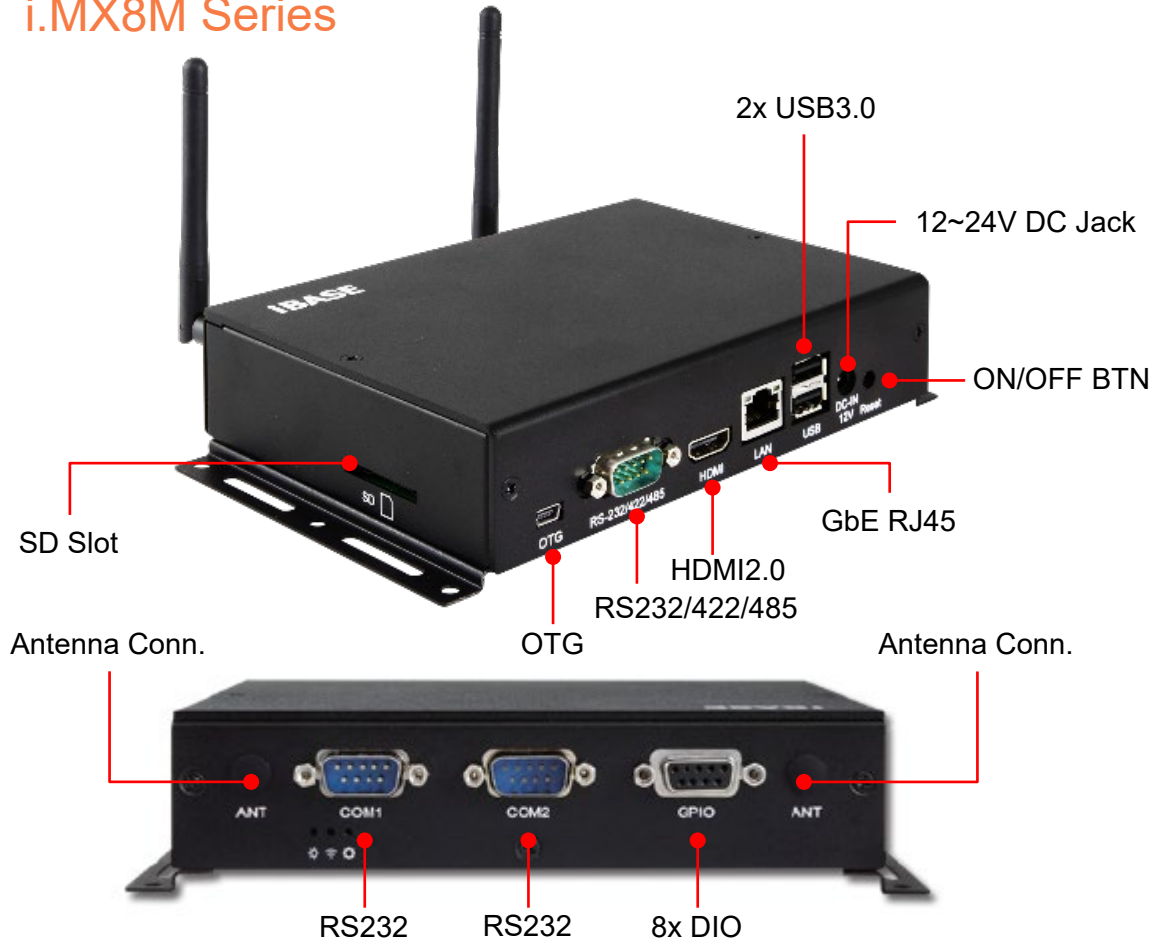

TBA

CE FC *Certificate w/o RF module

ISR301 Feature Highlight

Industry Gateways and Industrial PCs

i.MX8M Series

Feature:

- Main board: IBR210-Q316I
- SD socket for storage
- M.2 Key E (2230) for wireless
- Mini-PCle w/ SIM for 4G/LTE
- 3x LED for power, wireless, OS status
- Operation temperature -10~60°C
- Wall mount
- Optional VESA / DIN rail mounting
- 172mm x 162mm x 36 mm

Supported OS:

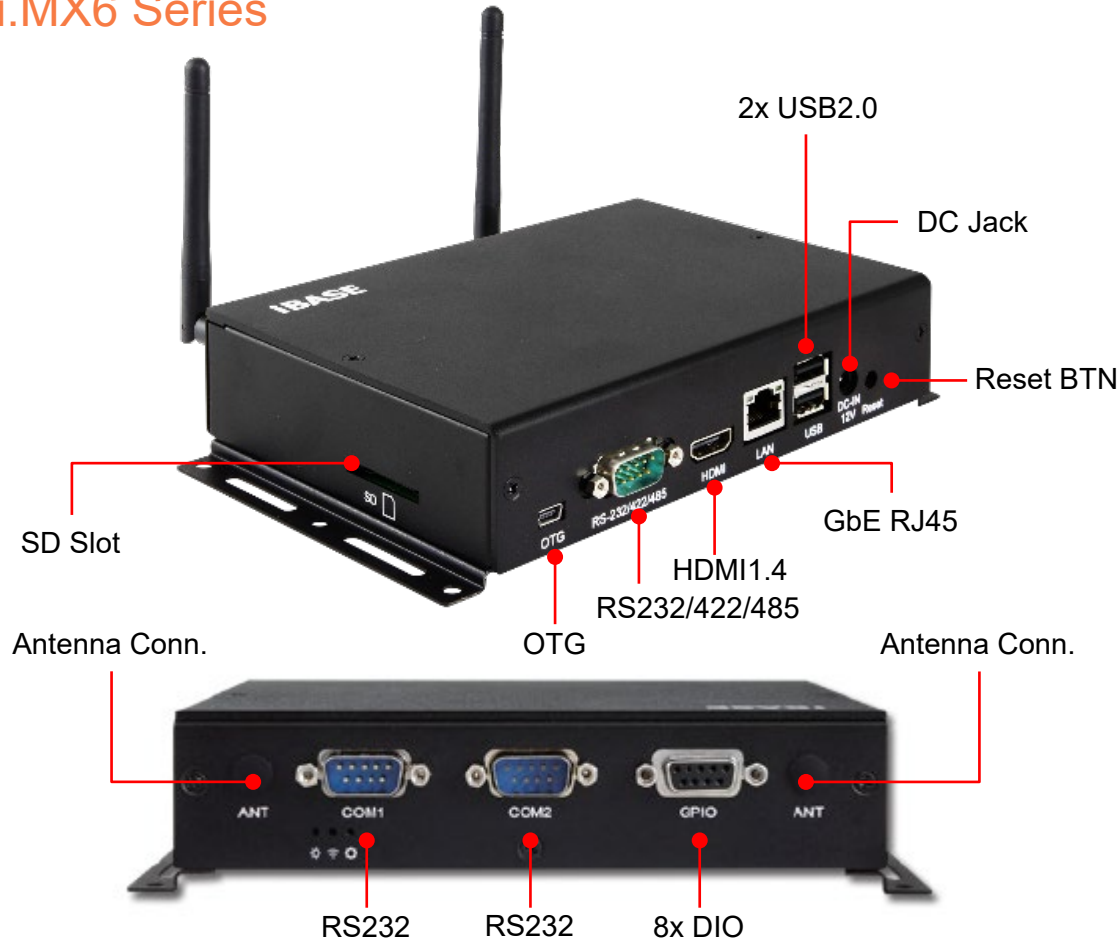

- Yocto v2.5
- Android 9

CE FCC *Certificate w/o RF module

ISR201 Feature Highlight

Industry Gateways and Industrial PCs

i.MX6 Series

Feature:

- Main board: IBR117
- SD socket for storage
- M.2 Key E (2230) for wireless
- Mini-PCle w/ SIM for cellular
- 3x LED for power, wireless, programmable
- Operation temperature -40~60°C
- Wall mount
- Optional VESA / DIN rail mounting
- 172mm x 162mm x 36 mm

Supported OS:

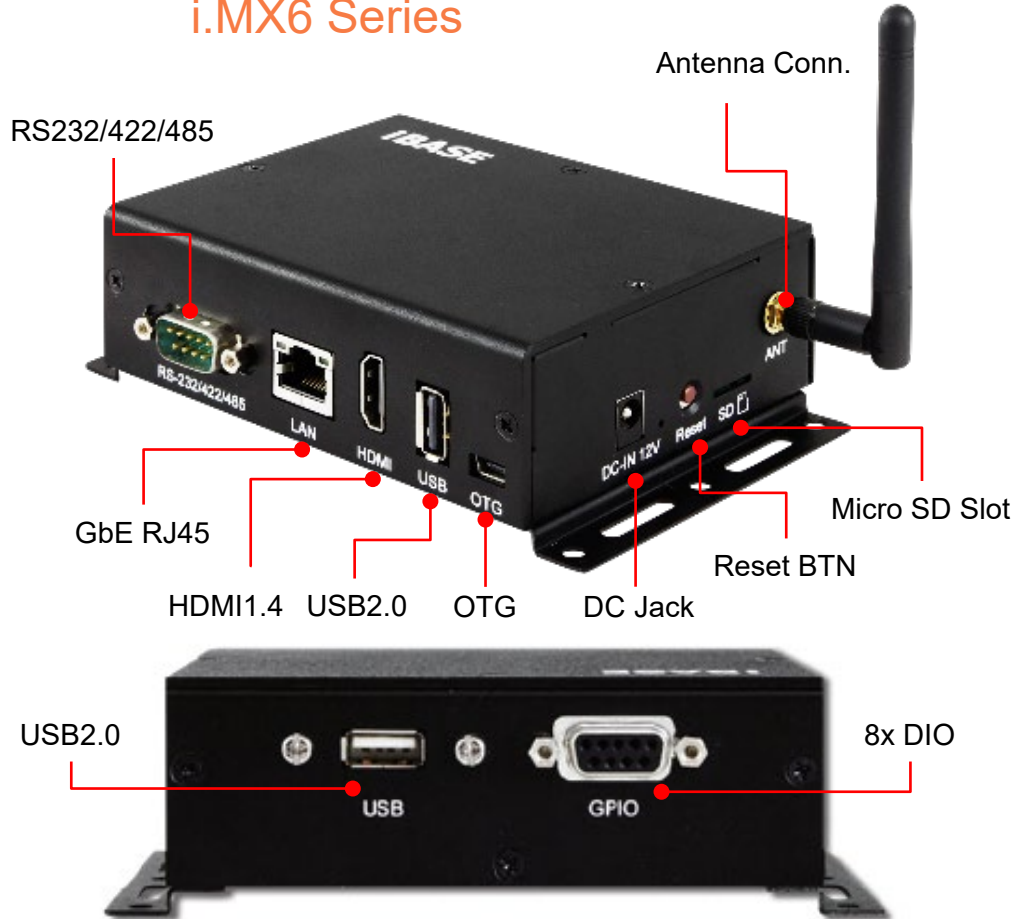

- Yocto v2.1
- Android 6.0.1

CE FCC *Certificate w/o RF module

ISR101 Feature Highlight

Industry Gateways and Industrial PCs

i.MX6 Series

Feature:

- Main board: IBR115
- Micro SD socket for storage
- M.2 Key E (2230) for wireless
- LED for power status
- Operation temperature -40~60°C
- Wall mount
- Optional VESA / DIN rail mounting
- 122mm x 102mm x 36 mm

Supported OS:

- Yocto v2.1
- Android 6.0.1

CE FC *Certificate w/o RF module
